

STEM INNOVATION

LEARN. CREATE. DISCOVER. HAVE FUN!

Sion Education Experience Days (SEED) are FREE, fun-filled activity days held at Sion School during half-term and school holidays.

Open to Sion pupils and children and young people from across our local community, **from Year 5 to Year 8**, SEED Days are all about trying something different, discovering new interests and having a brilliant time along the way – with activities ranging from science, cooking, art and music to languages and much more!

FRIDAY 30 OCTOBER 2026

3 EXCITING CHALLENGES

10AM TO 1PM

Get ready to explore, build, experiment and innovate!

Join us for a fun and interactive STEM session designed to spark curiosity, develop problem-solving skills and show just how exciting STEM can be. Across three hands-on challenges, you'll have the opportunity to work creatively, test your ideas and see STEM in action. A brilliant opportunity to have fun, try something new and discover where STEM could take you in the future!

Places are limited and will be allocated on a first come, first served basis.

If you have any questions, please contact collyera@sionschool.org.uk
