

Dear Macarla and Mrs South and all at Homefield Upper and Lower School

YOU ARE MAKING A DIFFERENCE – HERE'S HOW!

On behalf of us all at the Donations Hub thank you for your recent gift of food items worth to us over £200.00.

THANK YOU!

This means so much particularly as times are difficult for so many – your school community have been so kind.

Your support helps us provide not only essential items but also a sense of dignity and care to people experiencing homelessness. Contributions like yours remind our clients that they are not alone and that there are people in the community who care and want to help them build a brighter future.

The care we provide includes Community hubs to provide breakfast, showers, laundry facilities and guidance to those without secure housing, medium and long-term accommodation with support for people beginning to rebuild their lives and move-on housing that offers stability and structure to those ready to take the next step.

As a valued supporter, we would like to stay in touch and keep you updated with what we are up to and how you can continue to support us by sending you our Seasonal Gift Lists and Newsletter. You can opt out of this at any time.

Get the feel-good exchange and share how you've supported us for this year's Harvest Appeal to help increase awareness in our community [Harvest Appeal | Turning Tides](#).

Thank you once again, with kind regards,

Moira, Amelia and the Donations Hub Team of Volunteers.
