

RE: Open Morning at St Andrew's CofE High school

Dear Parent / Carer,

Open Mornings – July 2025

We are excited to announce that we are planning to host all Year 5 Homefield primary students for an open morning on July 14th. During the Open morning the students will have the opportunity to experience several lessons alongside getting a feel for what life in a high school looks like. On the day the students will walk to and from the school under the supervision of their Year 5 teacher.

We are conscious of the time constraints within the autumn term and therefore, on the same day we would like to invite in parents / carers to visit the school and have a tour with our current students at 9.15am. After the tour there will be a presentation from the Headteacher at 10.15am, with an opportunity for Q&A with leadership. If you would like to attend the Open Morning on the July 14th please confirm attendance by completely our online form [by clicking here](#).

Summer Fare – July 2025

St Andrew's is a community school, and not just in name. We welcome all members of our community to our school events, including our bi-annual charity fares. Our summer fare is running on Monday 21st July, with our doors opening to parents, carers, family and friends from 2pm.

Our fares not only raise funds for our aligned charities, but they solidify the strong bonds throughout our community. We would love to invite you to join us on what is a day of celebration and appreciation for all.

September Open events – 2026 starters

We will also be running a full set of Open Events in the Autumn term. Our Open Evening is on Tuesday September 30th, 4.30pm to 7.00pm. You can book the Headteacher's presentation [by clicking here](#).

Yours Sincerely,

Mr M Cordwell
Deputy Headteacher
